

The TMT 17D ISO Bucket Cleaning Mandrel is a simple tool specifically designed to fit a 17D ISO bucket, to remove any marine growth build up within the bucket. The tool is made of 316 Stainless Steel.

The mandrel is attached to a D-bar handle to allow a range of ROV manipulators to operate the tool.

TMT can also customise the 17D ISO Bucket Cleaning Mandrel to suit your needs.

### Features:

- Easy to use
- Different ROV handle options
- Stainless steel
- Field proven
